IN MEMORIAM

IN MEMORIAM

The BLADE staff gratefully dedicates this volume to Dr. William E. Morgan, late President of The Principia and one of its original students. A son of Principia's founder, Mary Kimball Morgan, he faithfully served the school in many capacities, including that of Headmaster of the Upper School, Senior Vice President in charge of the Upper and Lower School Building Project, and President and Trustee of The Principia.

As inspired educator, able administrator, and loving friend, "Mr. Billy" has won a permanent place in the hearts of Principia's faculty, staff and students.

FACULTY AND ADMINISTRATION

Scratch the green rind of a sapling, or wantonly twist it in the soil, and a scarred or crooked oak will tell of the act for centuries to come. So it is with the teaching of youth, which make impressions on the mind and heart that are to last forever.

The highest function of the teacher consists not so much in imparting knowledge as in stimulating the pupil in its love and pursuit.

To know how to suggest is the art of teaching.

CLASS OF 1961

CLASS OF 1961 ... OUR CLASS HISTORY

We were the freshmen, the plebes then — but it was a good year. For most of us the football games and campusology were new, and as far as those two things went, it *was* a good year. But those classroom capers we cut! Poor Misses Kessler and Gehring, not to mention our patient language and math teachers. How many class parties did we have that year? Those days are gone forever. Oh-h-h, those inevitable trips to Henry's. And remember how big those Seniors looked? Hmmmmmm.

Most of us came back the next year to find that our class had nearly doubled. Or so it seemed. Football games and campusology were old hat, but Civ wasn't. How many of us made it through all of Henry VIII's wives remains to be seen. Hats off to Miss Eareckson and Miss Laufenburg for a brave battle. What with Cleopatra, Elizabeth, and Joan of Arc, it was worth it. Wasn't it, boys? Such beautiful girls! And how many times did we lose our "break privileges"? Somehow, the Seniors didn't seem quite so big.

The next year was the year of the changes. We were B.M.O.C.'s — and upperclassmen to boot! Hooray — we made it! What new vistas this opened up to us. Senior proms, flowers, library study halls. Whee! And, of course, Mr. Fisher and Mr. Edwards. The girls got a new dean, too — Welcome, Mrs. P. *And* we all changed campuses. All right, so we weren't going to the first graduating class out here. At least we got there. We *are* the first whole-year graduating class. That's something. Then, all of a sudden, many of us were elected into Senior's offices. Gosh, those Seniors looked small!

"We are the Seniors, the mighty mighty Seniors . . . We are the top men on the totem pole, and the underclassmen are the untried, unwise, unconditioned. We look at the world with new eyes, and we remember how upstanding and conservative we must be now. Set the example, you know. We have had our last high school football season, our last round of campusologies, our last high school proms and class parties. But we'll remember them . . . always. The friends, the teachers, the housemoms and housepops, the deans, everything. And now that it's all over, we can look back and then say, "We made it!" Congratulations, Class of 1961.

1961 could never have been the success it was without the outstanding contributions of the underclassmen

The Freshmen, who will be the first class to go completely through on the new campus, added vitality and a definite challenge to the Seniors

The Sophomores have excelled in every field they entered this year — from scholastics to athletics.

The Juniors, the leaders among the underclassmen, have shown in every way that they are willing and able to take over as Seniors next year.

SOCIAL COMMITTEE

The social committee members are most well known at our weekend activities. They do everything from working out our social calendar for the year to selecting and playing the records at our social centers. They help to enforce and maintain the school's Fair Standards and this is done with student help. The committee consists of two representatives from each class, Carole Petersen and J. Frank Delaplane as our social leads, and Mrs. Schulz as the committee sponsor. Because of their efforts, our social life has been very successful.

PEP CLUB

This year we had good school spirit and turnouts for our games encouraged by our Junior and Senior cheerleaders. All this is due to the efforts of the Pep Club, who sponsor the cheerleaders, provide transportation to our away games and sell the food served at our home games. This year they sponsored the "Spooktacular" one of the best and most different activities all year. Congratulations to Mrs. Charles, Steve Sandberg, and their enthusiastic members for a wonderful job.

Greg,

Richard Milstein
Box 3263 Marina Station
Mayagüez, Puerto Rico

Boy, this has been a
great year. All the great
and funny experiences
we have had. Both you
and Warren I can say
are my best friends.

You are always fun in
your own little way.

Maybe won't be back
but expect you to
write me. Funny how
you can make a
good friend and then
think you will never
see him again. Probably
will be sick of

Puerto by my Junior
year and will come
back. Have a good
summer and hope you
can come back next
year. Hope to see you

Soon!

(Junior)

P.S. Maybe Karen will
be back and Castle
will be gone.

(Junior)
